

TOWN OF STETTLER

OPERATING BUDGET

FIRST DRAFT

FOR THE YEARS OF 2014 - 2016

TABLE OF CONTENTS

1. Administrative Comments	3 - 16
2. 2014 Tax Dollar Breakdown	17 - 18
3. 2014 Operating Budget.....	19 - 41
4. Detail Three-Year Operating Budget Estimates	42 - 92

Another Major Consideration which indirectly impacts financial position:

Ongoing SRC upgrades are estimated to cost \$2,346,825 with current sources of funding as follows:

• Town SRC reserve (3 yr)	\$1,000,000
• Town Library reserve (3yr)	\$195,000
• Town Seniors reserve (3yr)	<u>\$150,000</u>
	\$1,345,000
• County of Stettler parking & Library	\$140,000
• Provincial Grant	\$250,000
• Shortfall	\$611,825

This shortfall, if any will need to be addressed at a later date, however Council should be mindful that if no further County support is voluntarily provided, then the Town's General Reserve will certainly be depleted to a critically low amount.

Alternative 2014 Incremental Financial Impacts on the Budget and on the Average Residential Customer:

<u>Incremental Financial Impact on Customer/ Property Owner:</u>	<u>Impact on Interim Budget</u>
Each Municipal Tax increase of 1% = approximately \$16/year/res	+ \$47,110
The Water Rate increase proposed of \$0.07m ³ = \$14/year/res Generates automatic commercial Sewer Revenue	+ \$44,192 and + \$7,830
Each variable Water Rate increase of \$0.01 m ³ = \$2/year/res Generates automatic Commercial Sewer Revenue	+ \$6,310 and + \$1,115
Each \$1 fixed Water Rate increase per month = \$12/year	+ \$29,190
The Sewer Rate change proposed of \$1 per month = \$12/year/res	+ \$25,135
Each \$0.25 fixed Sewer Rate increase per month = \$3/year/res	+ \$6,280
The Garbage Rate increase proposed of \$1.00 per month = \$12/year/res	+ \$25,980
Each fixed Garbage Rate increase of \$0.25 per month = \$3 per year	+ \$6,495
The Recycling Rate increase proposed of \$0 per month + \$0/year/res	+ \$0
Each flat Recycling Rate increase of \$0.25 per month = \$3 per year	+ \$6,395
