21. The Town of Stettler shall maintain a system for the collection, removal and disposal of garbage and recyclable materials from residential properties within the Town of Stettler boundaries
22. The Town of Stettler may enter into a contract with any person for the collection of all or a portion or specific types of garbage and recyclable materials within the Town Limits
23. The Town shall not be responsible for the collection or disposal of any garbage and recyclable materials generated on any tax exempt, mixed use, multi-unit developments over four units, commercial property, industrial property or institutional property as designated in the Town of Stettler Land-Use Bylaw
24. All persons requiring a higher level of service for the collection of materials not covered under this bylaw herein may make their own arrangements with a collector at no additional cost to the Town for collection and disposal of garbage
25. The Town shall not be obligated to collect any garbage and recyclable materials at any dwelling or premises where the provisions of this bylaw are being contravened, and the owner or occupant of such dwelling shall be so notified by the Town or by the placement of a written warning or violation tag

26. All dwellings within the collection area and Town owned or operated buildings and facilities shall have their garbage and recyclable materials removed by collectors engaged by the Town to provide such service at regular intervals established by Council, as per Schedule A
27. Any commercial property or industrial property which does not have its garbage removed in a manner satisfactory to the Manager, shall be charged for costs incurred by the Town to have the garbage removed and disposed of at the Stettler Transfer Station
28. No collection will be made where there is a threat of harassment of, or interference with, a collector by the owners or occupants
29. No persons, other than those authorized under the provisions of this bylaw, shall interfere with or disturb the contents of a Household Waste Cart or the Recycling Container after the same has been placed for collection
30. The collector shall not be responsible for the cleanup of garbage and recyclable materials spilled by the owner or resulting from the garbage and recyclable materials being stored in insecure garbage or recycling container
31. The municipality will not be responsible for any damages to Household Waste Carts or Recycling Containers as a result of the owner or occupant's use of such Household Waste Carts or Recycling Containers

Placement of Household Waste Carts and Recycling Containers for Collection

32. Every owner or occupant of a dwelling in the Town shall ensure that all Household Waste Carts and Recycling Containers assigned to that property are set out on collection day, in such a manner that Automated Collection may occur, as per Schedule A, including:
 - a. If the dwelling is adjacent to an alley, Household Waste Carts and Recycling Containers shall be placed adjacent to and facing the alley
 - b. If the dwelling is not adjacent to an alley, Household Waste Carts and Recycling Containers shall be placed at the curb of the street, touching the edge of the gutter, at the mouth of the driveway with the cart or container facing the street or as near as possible to the roadway at the front of the property, without obstructing the sidewalk and as directed by the Manager or a Bylaw Enforcement Officer and allowed to remain, only on collection day
 - c. Placement at the collection point no sooner than 24 hours ahead of a scheduled collection for the dwelling and ensure Household Waste Carts and Recycling Containers are set out for collection prior to 7:00a.m. on collection day
 - d. Ensure that Household Waste Carts and Recycling Containers are removed from the collection point and returned to their storage area no later than 8:00 pm on collection day
 - e. Ensure the Household Waste Carts and Recycling Containers are placed such that they have clearances from any obstacles of one meter on all sides and ensure overhead clearance above carts
 - f. Ensure that the Household Waste Carts and Recycling Containers are placed out for collection in a way that they cannot easily be tipped over
33. The Town may assign a collection point for any dwelling, in which case the Household Waste Carts and Recycling Containers shall be placed in order to provide the collector unobstructed and convenient access thereto
34. In cases where other special conditions exist which make the collection point impractical as per section 33 above, such Household Waste Carts and

Recycling Containers shall, with the approval of the Manager, be located at a reasonable place for pickup by the contractor, as directed by the Manager

35. The owner or occupant of a dwelling shall ensure that the Household Waste Cart and Recycling Container assigned to the premises are in all situations including winter conditions, placed out for collection at a location that is level with the street/lane surface and that the collection point location is clear of snow and ice to provide for ready access by the collection vehicle
36. Every person who fails to comply with the provisions of this bylaw shall be responsible for their own garbage and recyclable materials which have been generated on such property
37. Every person shall ensure that the Household Waste Cart and Recycling Containers are located so as not to impede or obstruct pedestrian or vehicular traffic or road maintenance operations or so as to endanger the safety of the collector or any other person
38. The Manager shall be the final authority on placement of Household Waste Carts and Recycling Containers in cases of a dispute

Preparation of Garbage and Recyclable Materials for Residential Collection

39. No person shall, within the Town of Stettler:
 - a. place any oil, grease, liquid fat, flammable liquids or other fluid waste for disposal within the Household Waste Carts
