♣ Stettler Elementary School ♣

The Stettler Elementary School is pleased to announce their "Share a Smile" campaign. At school students are taught it is important to offer their best attitude in life, that everything is easier with a smile. To reinforce this concept students will be sent around our Town with stickers containing a smiling face. They will ask a person they meet if they would wear one sticker and take the remaining stickers to share with people they meet throughout the day. Our goal is to have everyone in Town wearing smiles on their clothes as well as smiles on their faces by the end of the day. Watch and learn from the kids on Wednesday, April 13.
