The **Heartland Beautification Committee** is planning a number of activities under the theme of Stettler Blooms. During Spring, Summer and Fall of 2016, watch for a range of great, gardening-related activities. First, off, prepare for the **11<sup>th</sup> Annual Plant Swap/Spring Plant Exchange**. Once again this event will be held on the Saturday before Mother's Day on **May 7, 2016** at West Stettler Park from 10am to 12noon. The idea is simple, if you have plants to share bring them (early in the morning, if possible) and if you are in need of plants, come and get them. We would ask that if you know the name of the plant you are bringing to please label it. We have found that this is also an opportunity for sharing not only plants but also gardening tips and ideas. Other planned activities include a Monthly Feature Residential Yard/Garden and Tidy Commercial Yard Program, a range of Educational Sessions, a Plant It Forward initiative and much, much more! Watch [www.stettler.net](http://www.stettler.net) or "Like" the Facebook page for the Heartland Beautification Committee.
