### Winter Pet Safety

During the cold winter temperatures and weather is important to remember the needs of your family pet. To help keep your furry friends safe during the winter months here are a few pet friendly tips:

1. When going for walks ensure your dog's feet have boots or protection from the ice and snow. Their paw pads can be susceptible to frost bite if in the cold for too long.
2. Don't leave your pet outside for long periods.
3. Dry your pet as right away from being outside to help keep their skin from drying out.
4. Ensure dogs and cats have Town license tags attached to their collars to help return them to you if they get lost or escape from your home.
5. Have your pet on a leash at all times and prevent them from running loose. Winter weather can lead to poor visibility and unpredictable ground conditions such as ice.
6. Inside your home, ensure all heating devices and sources are covered or protected so your pet does not come into contact with them.

### Utility Account Reminders

#### Moving and Direct Debit & On-Line Banking

When moving you **MUST** advise the Town of Stettler of any changes to your mailing address or telephone number. Moving within Stettler does not mean that you will keep the same utility account number, each utility account number is assigned to a specific address. Therefore, it is important for you to ensure that you also update your on-line banking, telephone banking or direct debit information with your new account number. Otherwise your payments will go to the wrong account and may result in service charges. If you have any questions, please call the **Town Office at (403)742-8305.**
