## Spring Plant Swap

The Beautification Committee is preparing for the 8<sup>th</sup> Annual Plant Swap. This event will be held on **Saturday, May 11, 2013** at West Stettler Park from 10:00 a.m. to 12:00 noon. If you have perennials that need dividing and you have run out of friends and family to give the extras to - this is the perfect place to dispose of them. Or, if you are a beginner gardener and are in need of perennials and some know-how this is where to come to get both. The idea is simple, if you have plants to share, bring them (early in the morning, if possible) and if you are in need of plants, come and get them. We would ask that if you know the name of the plant you are bringing to please label it. We have found that this is also an opportunity

for sharing not only plants but also gardening tips and ideas. If interested in gardening this is something you definitely need to check out. If you have any questions call Rob Spencer at (403)742-4142.
