6. 2010 Year in Review
  - Completed the New Donalda Fire Station and officially opened for service.
  - Installed a new double wall fuel tank at the Fire Station in Donalda.
  - Ordered a new 3000 gallon Pumper Tanker for the Byemoor Fire Station. Delivery of this unit will be in October 2010.
  - Shunda Construction is currently renovating the Stettler Fire Station, completion should be November 2010
  - Purchased a new breathing air compressor and fill station for the Stettler Fire Station. We will be moving the lower pressure unit to the Big Valley Fire Station in January 2011.
  - Replaced 8 breathing air packs and provided training on new equipment.
  - Tendered a replacement Emergency Response Vehicle for the Regional Deputy Chief. We anticipate delivery in December 2010.
  - Worked with RCI to complete a fire services finding review and presented to council. Step two is to develop a committee to review the options outlined in the previous review.
  - Completed a 2011 budget to finish the Stettler Regional Fire Station training facility / parking lot.
  - Completed a 2011 budget to provide backup power for the Stettler Fire Station with surplus equipment from the Water Treatment Plant upgrade.
