Rain Barrel Program

Rain barrels are available through the Stettler Public Library, Stettler Child Care, Heartland Youth Centre and the Stettler Regional Board of Trade and Community Development. The rain barrels will be sold for \$60 as part of the Rain Water Harvesting Program. They are available in black and come with an overflow valve and a mesh screen on the intake to prevent any critters from getting inside or the breeding of mosquitoes.

Benefits of this program include the following:

- Save money by cutting down your water bill
- Have a backup source of water during times of drought or between rain showers
- Source of naturally softened water (better for plants)
- Conserve water and keep water levels higher for wildlife
- Reduce burden on stormwater and water treatment infrastructure
- Support local non-profit organizations

Rain barrels are also available from local retailers.

Stettler Community Gardens

Get ready to get Growing! Community Gardens are back this spring with more space and lots of features. Garden plots are available to rent for a minimal fee. For more information on how you can join this fantastic community project or to find out more on plot size, plot rental and location visit www.stettler.net or contact Rob Spencer at (403)742-4142 (evenings) or stettlercommunitygardens@gmail.com

Spring Plant Swap

The Heartland Beautification Committee is preparing for the 8th Annual Plant Swap. Once again this event will be held on the Saturday before Mother's Day on **May 11, 2013** at West Stettler Park from 10:00 a.m. to 12:00 noon. If you have perennials that need dividing and you have run out of friends and family to give the extras to – this is

the perfect place to dispose of them. Or, if you are a beginner gardener and are in need of perennials and some know-how this is where to come to get both. The idea is simple, if you have plants to share bring them (early in the morning, if possible) and if you are in need of plants, come and get them. We would ask that if you know the name of the plant you are bringing to please label it. We have found that this is also an opportunity for sharing not only plants but also gardening tips and ideas. If interested in gardening this is something you definitely need to check out. If you have any questions call Rob Spencer at (403)742-4142.

Stettler Agricultural Society
