

Season's Greetings - Mayor Sean Nolls

Town of Stettler Council and Staff would like to express their warmest wishes for a Merry Christmas and a Happy, Healthy & Prosperous New Year. I hope that you will be filled with the Spirit of Christmas, and experience all the joys of this most wonderful time of the year.

During the festive season enjoy spending and sharing quality time with your families and loved ones, and if you are travelling, please be careful and prepared.

We are truly blessed to be rural Canadians, where we cherish living in a community that embraces care and respect for others, peace and comfort in our lives, and a true volunteer culture that just makes things happen throughout the entire year.

As proud Albertans we recognize that a strong work ethic, cooperation, appreciation, generosity, and a little understanding provides the foundation that will continue moving our vibrant community forward. We must always be thankful to those who humbly support each of us along our daily paths, and I trust that you will find it in your hearts to provide support to others who may need a little help along the way.

Merry Christmas and all the Best in 2019!
