### Stettler Health Foundation Festival of Lights Committee

The Stettler Health Foundation Festival of Lights Committee would like to thank the people of Stettler and surrounding communities and colonies for their support of this year's Festival of Lights. It is through your generosity that our hospital continues to meet its goals to meet our needs. With over 1,400 people in attendance and the support of more than 200 donors, we raised \$81,000 for our hospital this year, specifically for the operating room upgrade and labour and delivery suites. A complete list of donors is available at [www.stettlerhealthfoundation.com](http://www.stettlerhealthfoundation.com) and on our Facebook page.

**We are already planning for next year!**

#### The 2015 Festival Committee

Barbara-Lynn Goodwin, Keri Taschuk, Amy Roberts, Chelsey VanLanduyt, Morgan Hiller, Christine Verhoeven, Allison Baird, Pat Standage, Suzanne Bond, Mary-Jane Jackson, Kelly Greenwood and Susan Peterson.

### Transfer Station (Household Waste Only)

**Hours of Operation**

**Open Monday thru Sunday**

**10am – 6pm**

**Closed Statutory Holidays**

### 2016 Interim Operating Budget Water, Sewer & Recycling Rates

Starting January 1, 2016 rates for in-Town water consumption will rise by \$.01 cents per m<sup>3</sup> to \$2.73, sewer rates will increase by \$.50 to \$21.50 per month, garbage rates will be increasing by \$1.50 to \$22.50 per month, while recycling fees will remain at \$6.00 per month.

The financial impact on a household consuming an average of 17m<sup>3</sup> per month of water will be an additional \$26.04 per year in 2016. These utility rate increases are necessary to offset related costs associated with "User Pay" municipal utilities included in the Town's 2016 Interim Operating Budget projections. The Town of Stettler does not use property tax dollars to support municipal utility operations.

In 2016 the Stettler Water Treatment Plant will regionally supply potable water to Botha, the Shirley McClellan Regional Water Services Commission operating an easterly line to Castor, Coronation, Consort, Big Valley, Erskine & Donalds and to the Highway 12/21 Water Services Commission operating a line to Alix, Mirror and future connections to Bashaw, Ferintosh, New Norway, Edberg and Duhamel.

The 2016 Interim Operating Budget reflects Council's intent to be fiscally responsible and accountable to its' residents while sustaining the current high level of municipal utilities, and continuing to renew aging capital infrastructure. Town Council also considers it appropriate to put aside funds to support larger capital expenditures anticipated in the near future; and to contribute significant funds towards community programs and partnerships to maintain existing levels of services expected by our citizens.

### E-Billing – Town of Stettler Utility Bill

If you choose this environmentally friendly option, your monthly utility bill will be sent to your email address instead of the paper copy through the mail. Sign up now by sending us an email listing: your name, civic address, utility account number and email address to [townoffice@stettler.net](mailto:townoffice@stettler.net)
