Heartland Beautification Committee

The Heartland Beautification Committee (HBC) is the grateful recipient of two grants totaling almost \$9,000 from the **TD Friends of the Environment Foundation**. One grant will be used to purchase bottle/can recycling baskets to attach to garbage bins on Town paths and in parks and sports parks. Similar baskets are already installed on Main Street garbage bins and are very successfully diverting bottles and cans from the garbage. The second grant will enable the Heartland Beautification Committee to purchase bike racks (for 1 or 2 bikes each) at crosswalks along Main Street and one at the Post Office. HBC hopes to encourage walking and biking as alternative transportation and these racks will provide convenient locations for workers and shoppers to secure their bikes. A huge thank-you to **TD Friends of the Environment Foundation** for their financial support of these projects!
