Utility Account Reminders

Moving and Direct Debit & On-Line Banking

When moving you *MUST* advise the Town of Stettler of any changes to your mailing address or telephone number. Moving within Stettler does not mean that you will keep the same utility account number, each utility account number is assigned to a specific address. Therefore it is important for you to ensure that you also update your on-line banking, telephone banking or direct debit information with your new account number. Otherwise your payments will go to the wrong account and may result in service charges. If you have any questions, please call the **Town Office at 742-8305**.
