

Water and Wastewater Utility Operator – Casual

The Town of Stettler is looking to fill the casual position of Water and Wastewater Utility Operator. This position is based on a 40 hour work week with the need for overtime/weekend work during emergent situations. This is a 6 month term position.

The successful candidate will have experience in operation and maintenance of water and wastewater utilities. Other responsibilities include water and wastewater line installation and replacement, water meter reading and replacements, Alberta One Call locates, general maintenance of facilities and assets. Equipment experience is a must.

You must be a highly motivated person with the ability to handle stressful, changing work environments with minimal supervision. You have a valid class five drivers license and minimum grade twelve high school education, or equivalent.

We would like to hear from you if you are qualified and interested in the position. Please apply in confidence by Friday, June 18thth to:

Melissa Robbins
Director of Operations
mrobbins@stettler.net

We thank you for your interest in working for the Town of Stettler.

Only those selected for an interview will be contacted.
