### SNOW REMOVAL

It's that time of the year! We never know when snow will strike our streets, and ask that residents be aware of snow removal signage as it is posted. By ensuring that curb ramps are removed and vehicles are moved from the street, everyone can play a part in ensuring that snow removal is completed safely and efficiently. We thank you for your cooperation!

 Online via Zoom

### What Is Connect?

Connect is a 10-week program to support parents of pre-teens and teens with difficult behavioural and emotional struggles, such as anger, aggression, depression, conflict with parents and teachers, and getting into trouble with friends.

Each session provides parents with a new perspective on parent-teen relationships and adolescent development. Parents watch roleplays, engage in conversations, and learn new choices for responding to their teen's difficult behaviour.
