 Program begins April 1, 2025 for existing recycling in a municipality. Municipality will no longer pay for these recycling programs. Producers of the products will.
- Applies to:
 - 1) single-use Products, Packaging and Paper Products (PPP): cardboard, plastics (& Styrofoam), paper, metal, glass.
 - 2) Hazardous and Special Products (HSP): batteries, toxic items (our Eco Centre)
- Uncertain if the removal of Stettler Transfer Site's cardboard, paper and plastics recycling
 has an impact on that location's inclusion under an "existing" recycling program in the EPR.
 (Administration looking into.)

GREEN TIP OF THE WEEK "Create Memories, not Garbage"

Invest in gifts that create memories, not garbage!

Try gifts of time: child-minding for a busy parent or dog walking.

Give lessons to learn something new. Buy event tickets to attend in the future. Memories never end up in the landfill.

No one can do everything. Everyone can do something.

Sponsored by the Heartland Beautification Committee

Dec 11, 2023

GREEN TIP OF THE WEEK "Battery-free toys"

Battery-operated toys create a continual need for more batteries. That creates a cost to the recipient and to the planet. Break free of batteries.

No one can do everything. Everyone can do something.

Sponsored by the **Heartland Beautification Committee**

GREEN TIP OF THE WEEK "Zero-waste holidays"

Use re-usable gift bags.
Use real plates, cutlery, and glasses.
Skip the straws.
Use cloth napkins.
Give a gift to the planet. Go zero-waste.

No one can do everything. Everyone can do something.

Sponsored by the **Heartland Beautification Committee**

Dec 25, 2023

GREEN TIP OF THE WEEK "A Healthy You"

A healthy body and mind mean nothing without a healthy planet. Choices that help the planet help you.

No one can do everything. Everyone can do something.
