Most batteries require no taping for recycling with one BIG exception: all lithium batteries and button batteries should have the positive end taped and be separated from other batteries. Take to the Stettler Transfer Site.

No one can do everything. Everyone can do something.

Sponsored by the *Heartland Beautification Committee*

GREEN TIP OF THE WEEK "Used oil recycling"

Take your used oil to UFA, Stettler for recycling OR to Foesier's Heavy Duty Service, 5802 Tower Road. Oil filters and empty oil jugs can be taken to any local transfer site.
