

Transportation Operator – In Training

The Town of Stettler is looking to fill the full time permanent position of Transportation Operator In-training. This position is based on a 40 hour work week with the need for overtime/weekend work on a regular basis.

The successful candidate will have experience in operation and maintenance of all aspects of public works. Responsibilities include operate and make minor adjustments to tandem trucks, steamers, skid steer, loader, sanders and other equipment. Assist with asphaltting, snow removal, boulevard sweeping, Christmas tree set up and take down, line painting, crack sealing, landscaping, sign installation and repair, repair fences, buildings, and other structures. Use various hand tools and work on roads, sidewalks and drainage projects is required. Work on tree trimming and maintenance.

You must be a highly motivated person with the ability to handle changing work environments with minimal supervision and be available for on-call and varying work hours based on seasonal work such as snow removal/summer road maintenance.

You have a valid class five drivers license and minimum grade twelve high school education, or equivalent. Preference will be given to applicants who have training in ground disturbance, loader and skid steer operation, hazard assessment and control, and are familiar with OH&S legislation. Successful applicant will be required to obtain Class three drivers license with air within 6 months of hire.

We would like to hear from you if you are qualified and interested in the position. Please apply in confidence by July 17th at 4:30pm to:
